Dear Lenda:

Thank you for the Company's generous gift of \$1000 on check number 2115 dated 09/10/16 to The Leukemia & Lymphoma Society. Your gift supports our research programs and patient support services. It provides the valued resources we depend on to continue our fight against leukemia, lymphoma and myeloma, and to improve the quality of life of patients and their families.

We believe that innovations in blood cancer research hold the keys to curing all cancers. Treatments such as chemotherapy and bone marrow transplantation, originally developed for leukemia, are now standard treatments for many cancers. In addition to research support, we offer support groups, financial aid, information and advocacy programs for patients and their families.

Thank you again for helping our lifesaving efforts and for ensuring that Someday is Today! Your support of our mission is deeply appreciated.

Sincerely,

DeAnn Hazey, CFRE  
Executive Director

Dear Sample Czar Inc:

Thank you for your wonderful, generous support of Huntsman Cancer Foundation and the gift made by Sample Czar Inc in the amount of \$200.00 on 8/18/2016 on behalf of Alayna Williamson. Your generosity plays a critical role in fueling innovative cancer research, and giving families and patients hope.

Thanks to philanthropic gifts from people like you, and other sources of funding, Huntsman Cancer Institute (HCI) is currently pursuing 457 distinct research projects that all add a part of the solution to the complex cancer puzzle. These projects involve 182 research teams that are working to speed new treatments from the laboratory bench to the patient's bedside. And, thanks to this work, HCI is able to offer 147 cancer treatment clinical trials, many of which are "first in man," providing new hope and optimism at a time it is so desperately needed by a patient. HCI is the only place between Denver, Colorado and San Francisco, California that is able to offer these advanced new treatments known as "first in man" clinical trials.

### **The Impact of Your Giving**

**457 research projects**

**147 clinical trials**

**182 research teams**

**100% more research space**

An essential difference between HCI and any other cancer treatment place in the Intermountain region is that **cancer is all we treat**. Cancer is the central focus of our research, our supportive services, and our community outreach. And because cancer is such a challenging disease to defeat, we are currently adding 100% more space to expand research even further, with the 220,000 square foot addition which will be named **The Primary Children's & Families' Cancer Research Center at Huntsman Cancer Institute**.

On behalf of our patients and families, thank you again for helping to ensure that our physicians and scientists will be able to fulfill our goal of one day conquering this dreaded disease.

With gratitude,

Dear Friends,

Thank you for your \$100 gift to Dana-Farber Cancer Institute and the Jimmy Fund, in honor of Ted Matayer. Your support is valued and will be directed to cancer research and patient care. We will notify the requested party of your kindness.

Your generosity provides valuable funds that will bolster Dana-Farber's lifesaving mission. Over the past year, philanthropy has advanced our efforts in precision medicine, strengthened numerous patient-centered programs, and enabled us to expand laboratory and clinical space. As the Institute continues to lead in world-class cancer care, please know how much it means to have your backing.

On behalf of our patients and their families, thank you.

Sincerely,

Dear caring friend,

Thank you so much for your generous gift of \$100.00 on 08/23/2016. Your generosity to Wounded Warrior Project® (WWP) speaks volumes about your concern for the truly deserving servicemen and women who placed their lives on the line to secure our freedom and safety and as a result returned home wounded in body and spirit.

Our work begins at the bedsides of injured warriors as they undergo rehabilitation and return to civilian life, but it certainly doesn't stop there. As a result of their injuries, these brave heroes will face greater challenges today finding assistance and jobs that will enable them to provide for their families. Their battle against the long-term effects of combat will continue throughout their lives.

It is only through your continued support that WWP is able to reach these wounded service members. Through your generosity, WWP provides warriors with the assistance they need in order to regain independence and begin rebuilding their lives. You give our injured warriors and their families hope for a brighter tomorrow.

Please know your continued support means so much. These men and women who served with honor deserve our respect and support.

Sincerely,

YOUR GIFT DOING MORE

Dear Friend,

Words cannot describe how thankful I am that we have a compassionate friend like you. I am so grateful to you for your gift of \$200 to St. Jude Children's Research Hospital in August 2016. Your loving generosity is helping our doctors and researchers find cures for precious children like 5-year-old Charlee.

Your heartfelt generosity is helping St. Jude provide the chemotherapy, radiation therapy, surgeries and other treatments that our children need to survive. Without the support of friends like you, we would not be able to provide the lifesaving research and treatments to countless children hoping for a cure.

When the hospital opened in 1962, the overall survival rate for childhood cancer was 20 percent. Today, treatments invented at St. Jude have helped increase the overall survival rate for childhood cancer to more than 80 percent. Isn't that amazing?

And thanks to loving friends like you, families like Charlee's will never receive a bill from St. Jude. Thank you for being a part of the St. Jude family. God bless your good heart.

For the children,

  
Marlo Thomas

P.S. I have enclosed a special card for you to return along with your gift today to share a message of hope with St. Jude families.

Dear Douglas,

Thank you so much for your donation of \$700 to support our patient services. We appreciate your interest in – and support of – our efforts to reduce the incidence and mortality rates of ovarian cancer by empowering all women, and those who love them, to recognize the subtle symptoms, assess their risk and seek proper medical attention for the best outcome.

Our BEAT the BIG O campaign reached more than 100,000 women last year. Our collaboration with medical professionals through our RULE OUT! Ovarian Cancer Early Detection Project is making serious progress toward earlier detection. We won't give up until the day when ovarian cancer screening is a routine part of every woman's annual gynecologic exam.

When detected in its early stages, there is a 92% chance for a cure. However, 85% of diagnoses are not made until the disease has progressed beyond the ovaries and the relative five-year survival rate is only 45%. There is a lot of room for improvement.

We are very grateful for your support and hope you continue to take an interest in our activities. Please visit our website and LIKE our Facebook page for the latest information on how we are rising up against ovarian cancer.

Dear Society Friend:

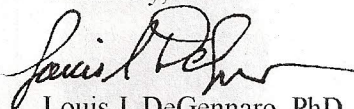

On behalf of the more than one million Americans who are fighting blood cancers, I want to sincerely thank you for your contribution of \$200.00 on September 28, 2016.

We've made so much progress since The Leukemia & Lymphoma Society was founded... when we said that someday we would help find cures for blood cancers. Now, we're closer than ever to making someday *today* because of your generous gift.

It is only through the kindness and compassion of people like you that we are able to fund innovative research into better treatments and cures. And it is thanks to your generosity that patients and their families can count on information, education, services and support during some of the most difficult days of their lives.

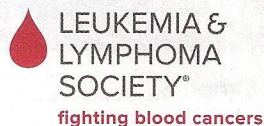

**With your support, we can help create a world without blood cancers, not someday... but today.** We are truly grateful for your donation.

Dear Friend,

I want to thank you, from the bottom of my heart, for donating to Fistula Foundation and helping us meet our year-end goal. Thanks to the generosity of people like you, I am happy to share that we are on track toward meeting our goal of providing 5,000 free fistula repair surgeries in 2017.

Your generous gift of \$100.00 on November 21, 2016 in honor of Tom Holle has enabled us to pass critical funds to our partners who will be able to deliver care, without delay, starting January 1. Many of the women who wait for our help have suffered with fistula for years, even decades. Thanks to you, their wait for help is over.

Did you know that more than half of Fistula Foundation's annual revenue is raised in the last two months of the year? Gifts from people like you, who are committed to improving the lives of some of the poorest, most marginalized women in this world are the only reason we are able to do what we do.

I am so grateful for your support, and look forward to being in touch this year to report back and let you know how your gift was combined with others to deliver care to the backlog of one million women suffering needlessly with fistula.

Thank you for helping give a woman a new chance at life.

Sincerely,

Dear Douglas,

Thank you for your recent donation of \$ 400.00, received on November 11, 2016.  
Because of your thoughtfulness, I wanted you to know how much your gift is  
appreciated.

The primary mission of the MPN Research Foundation is to promote, fund and support  
the most innovative and effective research for Essential Thrombocythemia,  
Polycythemia Vera and Myelofibrosis. Here are some highlights of our accomplishments  
in recent years.

- We have funded 50 research projects for approximately 10 million dollars.
- We funded one of the first genetic sequencing projects for MPN patients,  
which requires that data be deposited in a publicly accessible database.
- We funded the development of a JAK2V617 mouse model, which enables the  
identification of an MPN stem cell population.
- We funded the preclinical research that ultimately produced the drug  
Ruxolitinib, the only FDA approved treatment for MF.
- We fund new investigators with the goal of attracting and keeping bright  
young researchers in the MPN field.
- We initiate and support numerous projects relating to patient and physician  
education.

Our work is financed by contributions from the MPN patient population and their friends  
and families. We could not have done this without the support of people like you. Thank  
you.

Yours truly,

Robert Rosen  
Chairman

Dear Member,

Thank you for joining Environmental Defense Fund (EDF) with your gift of \$100.00, received on September 12, 2016.

EDF is composed of over 1.5 million members who are informed, engaged and committed to combatting climate change. And with your gift, you have joined this dedicated community—thank you for joining our ranks.

Your gift is strengthening our efforts to combat climate change—from securing EPA's Clean Power Plan to working with indigenous tribes in Brazil to save their Amazonian rainforest, one of the world's most important carbon-absorbing ecosystems. And your support is reaching across the seas to the provinces of China, where we're working successfully to put a cap on carbon emissions.

These necessary, trailblazing steps will help to obtain the carbon reductions we need. And you are making this possible.

We celebrate every new member to EDF not only for your financial commitment, but for adding strength, energy and influence to the EDF community. The power of our entire community will drive our ultimate success to stabilize our climate and protect our children and grandchildren.

Thank you again and a warm welcome to Environmental Defense Fund.

Sincerely,

Dear Friends,

On behalf of the Colon Cancer Alliance, thank you for your end-of-year gift of \$100.00, given in support of our mission to knock out colon cancer.

The Colon Cancer Alliance relies on caring friends like you to help us continue to advance life-saving research initiatives, fund our nationwide prevention efforts and provide critical support to colon cancer patients, survivors and their families. Your generosity provides compassionate support for those living with colon cancer and their loved ones through our Patient Navigator, Blue Hope Financial Assistance, online patient communities, and Buddy and other critical programs.

We are proud to have received Charity Navigator's highest 4-star rating for six consecutive years. This is an honor awarded to only 5% of evaluated charities in the country for strong and responsible financial management procedures. The Colon Cancer Alliance is also a Better Business Bureau Wise Giving Alliance accredited charity.

Your gift makes a significant difference for the people we serve. We know that people live longer and better lives because of the education and support they receive through our programs, and your end-of-year donation helps us continue these efforts.

Thank you again for helping us support those impacted by colon cancer and preventing others from developing the disease. If you have any questions, please feel free to contact me directly at (202) 207-0254 or [rhuneycutt@ccalliance.org](mailto:rhuneycutt@ccalliance.org).

# AMERICAN FOUNDATION FOR Suicide Prevention

January 3, 2017

Sample Czar Inc  
P.O. Box 36156  
Los Angeles, CA 90036-0156

Dear Sample Czar Inc:

Thank you for your generous donation of \$100 on 12/16/2016 to the *American Foundation for Suicide Prevention (AFSP)*. Through your gift, you are helping to further our mission of understanding and preventing suicide.

Because of you and so many other friends and supporters, AFSP has become the leading national organization exclusively devoted to preventing loss of life from suicide. Donations to AFSP have allowed us to invest in promising new research and maintain our position as the nation's leading private source of funding for suicide research, while also investing in new educational initiatives. One such program, *More Than Sad*, teaches high school students about teen depression, anxiety, the dangers of alcohol use and the negative effects of bullying. *More Than Sad* encourages young people with problems to seek help for themselves or a friend, and a companion program trains teachers about the role they can play in suicide prevention. AFSP is also recognized as the leading organization for those who have lost a loved one to suicide, offering an array of programs that assist the surviving family members and friends.

With the opening of AFSP's public policy office in Washington, DC several years ago – we are recruiting and training volunteer advocates in all 50 states, and we organize visits with U.S. Congressional Members, as well as with state officials, to advance suicide prevention policies and legislation at the federal and state levels. Add an expanding network of chapters, now up to 85 nationwide and over 400 Out of the Darkness Walks and we are emerging as a significant force for the prevention of suicide.

We are grateful to you for your support, and pledge to continue to earn your trust by maximizing the funds used to prevent suicide. Based on our recent audit, AFSP's management and fundraising costs are well below non-profit industry standards at 17.2% of total expenditures, which means 82.8% is invested in research and programs.

To learn more about the American Foundation for Suicide Prevention, please visit us online at [www.afsp.org](http://www.afsp.org). If you have any questions or would like more information, please feel free to call me at 888-333-AFSP ext. 2048.

Thank you for supporting suicide prevention.

Sincerely,

Michael Lamma  
Vice President of Development and Field Management

Dear Friends,

On behalf of the leadership and staff at the Lymphoma Research Foundation, I would like to thank you for your contribution of \$300.00. Your generosity will help us advance our critical mission to eradicate lymphoma and serve those touched by this disease.

The Foundation is committed to funding the most innovative lymphoma research and providing exceptional educational programming and patient services. Please know that your gift makes this vital work possible.

We rely upon the support of friends like you who recognize the importance of our shared mission. Thank you for standing with us.

With sincere gratitude,

Meghan Gutierrez  
Chief Executive Officer

P.S. Stay informed of Lymphoma Research Foundation programs and the latest advances in lymphoma research by visiting [lymphoma.org](http://lymphoma.org) or downloading our mobile app, Focus On Lymphoma, at [Focusonlymphoma.org](http://Focusonlymphoma.org).

Thank you for your gift of \$300.00 (check # 6336, dated 12/2/2016). To comply with IRS requirements regarding charitable donations, we affirm that LRF has provided no goods or services for your contribution. Please consider this letter your official receipt for tax purposes.

Dear Society Friend:

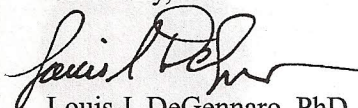

On behalf of the more than one million Americans who are fighting blood cancers, I want to sincerely thank you for your contribution of \$200.00 on December 14, 2016.

We've made so much progress since The Leukemia & Lymphoma Society was founded... when we said that someday we would help find cures for blood cancers. Now, we're closer than ever to making someday *today* because of your generous gift.

It is only through the kindness and compassion of people like you that we are able to fund innovative research into better treatments and cures. And it is thanks to your generosity that patients and their families can count on information, education, services and support during some of the most difficult days of their lives.

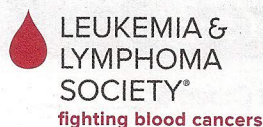

**With your support, we can help create a world without blood cancers, not someday... but today.** We are truly grateful for your donation.

Gratefully,

Louis J. DeGennaro, PhD  
President & Chief Executive Officer

Dear Mr. Lowell,

On behalf of The University of Texas MD Anderson Cancer Center, thank you again for your generous gift of \$100.00 dated December 2, 2016. We welcome you as a valued partner in our mission to end cancer through patient care, research, prevention and education.

To express our gratitude and to enhance our partnership, we've enclosed several pieces of information, including a Donor Bill of Rights that ensures your gift will be used for the purposes you intend. There's also information on how you can double the amount of your gift by checking with your employer about a matching gift offering.

Also enclosed is our Anderson Annual Fund Partners brochure, which outlines the benefits of contributing at various levels. And most important, we include an insert with MD Anderson phone numbers should you, a family member or a friend need to contact us.

To help us learn how we may assist you, please complete and return the reply slip below in the envelope provided. If you prefer to receive your Annual Fund program communications by email, please see the benefits listed on the back of the reply slip.

Thank you again for your thoughtful contribution to the MD Anderson Annual Fund program. Your generosity is helping make a significant difference in the fight against cancer as, together, we strive toward Making Cancer History®.

Sincerely,

Ronald A. DePinho, M.D., President

P.S. If you'd like to make an additional contribution, it will be deeply appreciated.

Dear Friends,

**Thank you** for your continued support of the Parkinson's community. Your generous gift of \$850.00 was received in our office on 01/20/2017. Your support gives hope to so many, providing the information and resources essential to living their best with Parkinson's. In the coming year, your contribution will help:

- **Spread knowledge** through our quarterly *Parkinson's Post* newsletter, website, weekly email news update, Telehealth program for rural communities and annual HOPE and Wellness conferences
- **Educate** physicians, nurses and physician assistants to ensure that health care providers are knowledgeable of best practices in recognizing and treating Parkinson's
- **Build awareness** in the community about Parkinson's and available resources through our presentations before various community groups and events and our Team Parkinson's activities
- **Instill hope** by empowering persons with Parkinson's, their families, friends and caregivers with self-care tools, resources and referrals, and inspirational stories to guide their journey with Parkinson's.

We greatly appreciate your gift. It will go a long way towards improving the quality of life for people living with Parkinson's.

Thank you,

  
Steve Wright  
Executive Director

Dear Sample Czar Inc.,

Thank you for your generous donation in the amount of **\$100.00** to support the work of The Icla da Silva Foundation. Thank you also for choosing to make this gift In Honor of Rebecca Salame.

Your contribution is vital to the Icla da Silva Foundation's mission to save lives. Each dollar that you contribute helps us continue to recruit bone marrow donors and provide support services to children and adults with life threatening blood diseases in need of a marrow transplant.

Financial gifts like yours will ensure the Foundation's continued excellence to the families with serve. What we accomplish together will touch the lives of many in need of a marrow transplant.

Once again, let me express my appreciation for your contribution towards the work of the Icla da Silva Foundation.

Sincerely,

Airam da Silva, M.P.H.  
President
