Dear Doug,

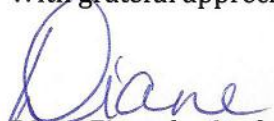

Thank you for your generous gift of \$400.00 to the Bladder Cancer Advocacy Network. Your donation will help further our efforts and cultivate a community of hope and support for people touched by the disease.

Each year, thousands of Americans die from bladder cancer, but still there is little awareness of this devastating disease. The Bladder Cancer Advocacy Network is on the front-lines advocating for greater public awareness and funding research that will identify and deliver a cure for bladder cancer. With programs like the Bladder Cancer Think Tank, the only medical forum dedicated solely to bladder cancer, and the Young Investigator Research Awards, we are working every day to end this disease and improve the lives of bladder cancer survivors.

In accordance with IRS guideline you have received no goods or services, your gift is tax-deductible. Please maintain a copy of this letter for your tax records.

We are able to continue our important mission because of the generosity of supporters like you. Together, we are making a difference.

With grateful appreciation,

Dear Ryan Swanson:

On behalf of the patients and families of Children's Healthcare of Atlanta, thank you for Sample Czar's generous \$200.00 gift to support the Areas of Greatest Need. It is an honor to be selected as your charity of choice; I am sure you considered multiple worthy not-for-profit organizations. Please know Children's is committed to investing these funds wisely to uphold our mission to *make kids better today and healthier tomorrow*.

As one of the largest pediatric healthcare providers in the country, Children's continues to provide top-notch, specialized care to the more than 362,000 patients that come to our facilities each year. Our three hospitals—Egleston, Hughes Spalding and Scottish Rite—and more than 25 neighborhood locations exist *solely* to take care of kids and teens. Support from our community enables us to stock just the right size blood pressure cuffs (our smallest would fit around your pinky finger); offer cutting-edge lifesaving technology that other hospitals cannot; train our next generation of medical heroes and search for tomorrow's cures.

With the help of generous donors like you, we are building a world-class pediatric healthcare system that will offer our community's children the highest level of care for generations to come. Should you have any questions, please do not hesitate to contact me directly at [Jennifer.Patrick@choa.org](mailto:Jennifer.Patrick@choa.org) or 404-785-7602.

Dear To Whom It May Concern,

I just wanted to thank you again for helping secure the future of P.A.R.K. students. Your donation also helped me to enjoy a wonderful and relaxing December for the first time in 25 years. Thanks to not having the fundraising pressure for December on me, I was able to go on vacation. I took Melanie and our two boys Kenyon and Koilan on a Caribbean Christmas cruise. The seven-day cruise to Cozumel, Belize City, Honduras and Costa Maya gave me a much needed emotional, physical and spiritual renewal. It was a time to catch up and enjoy my family, since we all have had busy schedules these past few months.

To most people's surprise, my cell phone was not attached to my ear. All data was turned off to ensure two things; peace and a phone bill I can afford! Every port-of-call was a breath of fresh air without a to-do list. I just moved at my own leisurely pace...slow.

The board made a decision about the endowment money by using a 4% Harvest rate. This will be calculated on January 1<sup>st</sup> of every year. So, let me give you an update. We have collected over \$9 million with less than \$1 million to come in this year.

It's been 20 years since the first group of 25 students walked through P.A.R.K.'s doors; and because of the generosity, P.A.R.K. will play a pivotal part in this community for decades to come.

Have a Blessed 2016!

Blessings,

Keith Jackson
